

A V I S O

Los numerosos dibujos
que he incluido en este libro
me han parecido tan agradables
que no me he podido resistir a que
mis queridos alumnos con Síndrome de Down
se asombren y disfruten
tanto como lo he hecho yo cuando
los encontraba en libros ...revistas ...
anuncios...

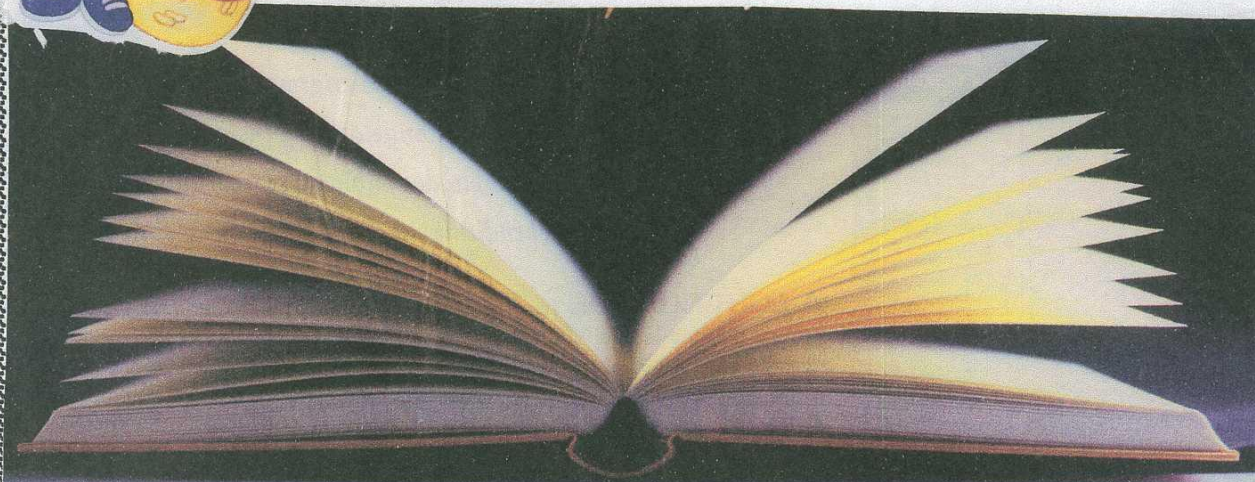

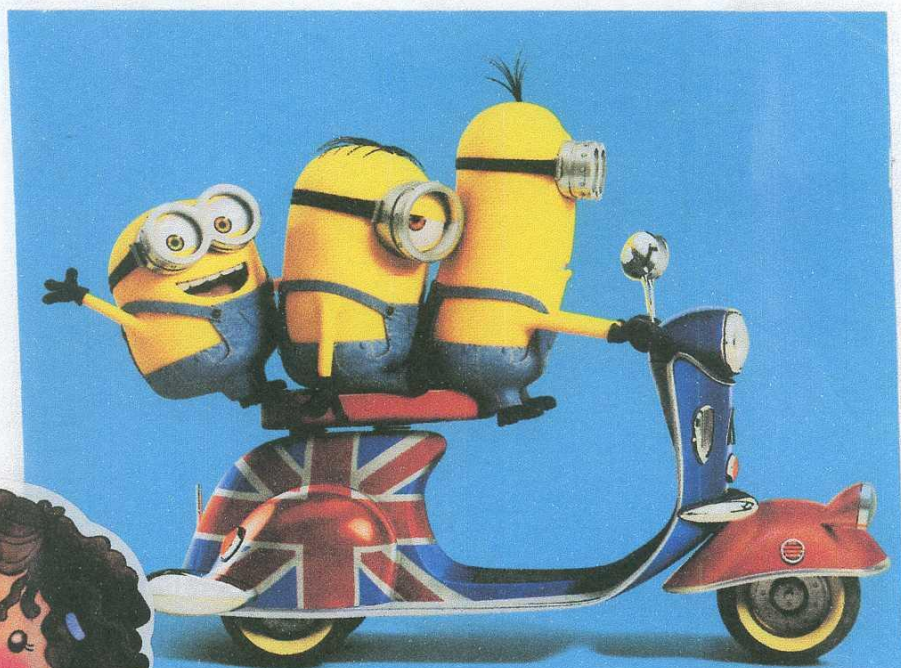

CREO...QUE ME HE INVENTADO UN LIBRO
AMENO Y PRECIOSO , QUE NO PRETENDE
MÁS QUE DISTRAER Y DIVERTIR Y
APRENDER ALGO MÁS.

Si lo logro.....me sentiré feliz .

GRACIAS Y UN SALUDO

de Paco Menor

Este trabajo está dedicado a

MIS NIETOS

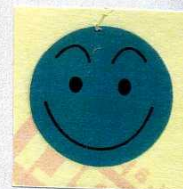

que son la alegría de mi vida
y me obligan a seguir con
mucho ilusión.

Y a **MARY**, mi esposa,
porque se lo merece.

Y...a mi **PADRE**, que es muy
posible que se sintiera orgulloso.

Y A TODA MI FAMILIA

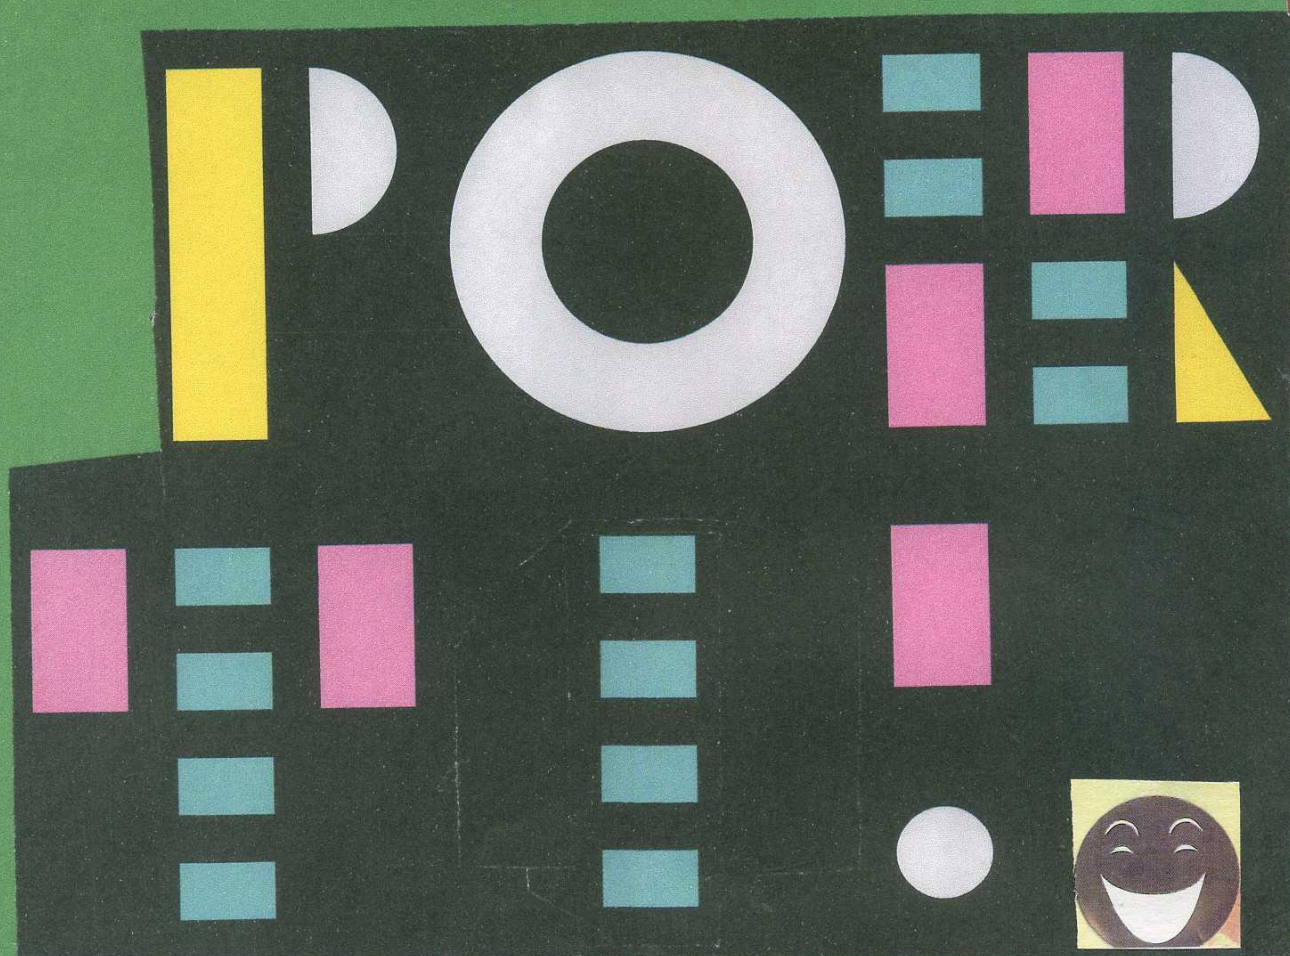

Y AMIGOS que me ayudan.

CURIOSIDADES!

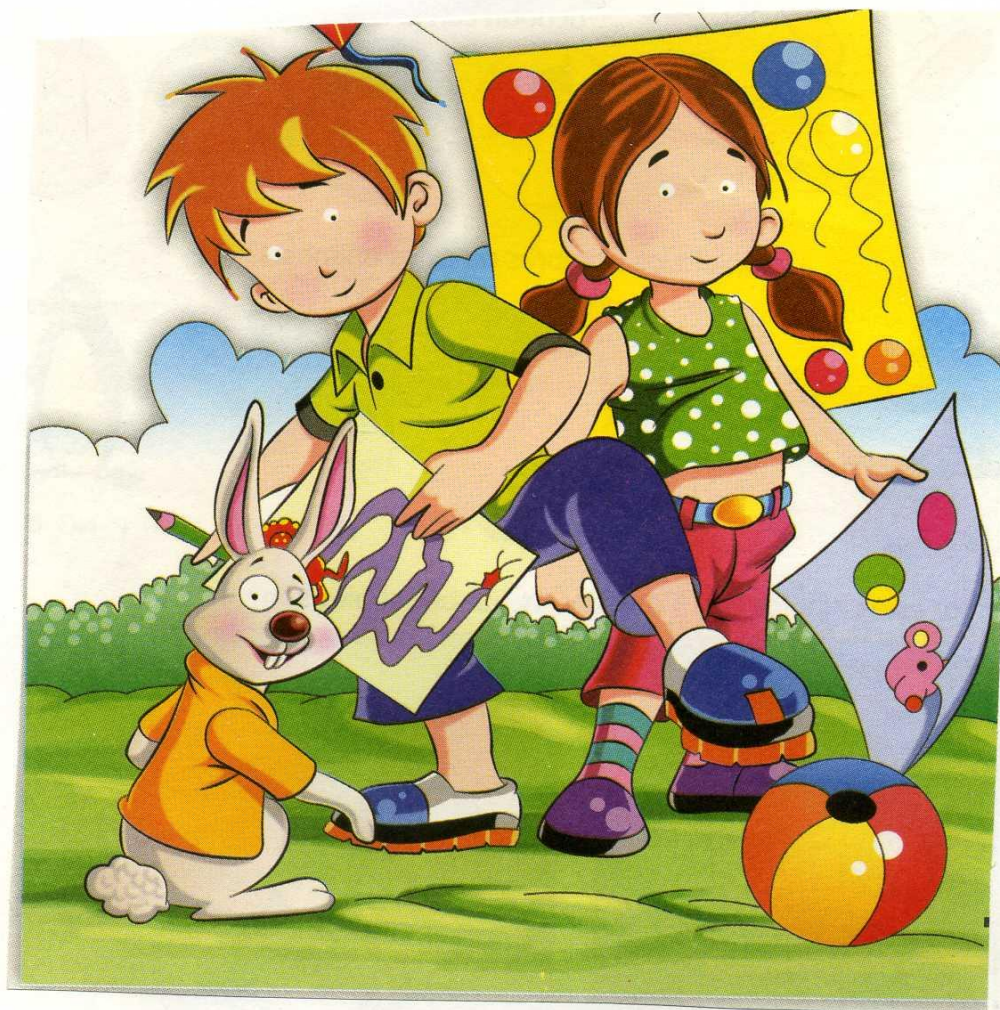

5

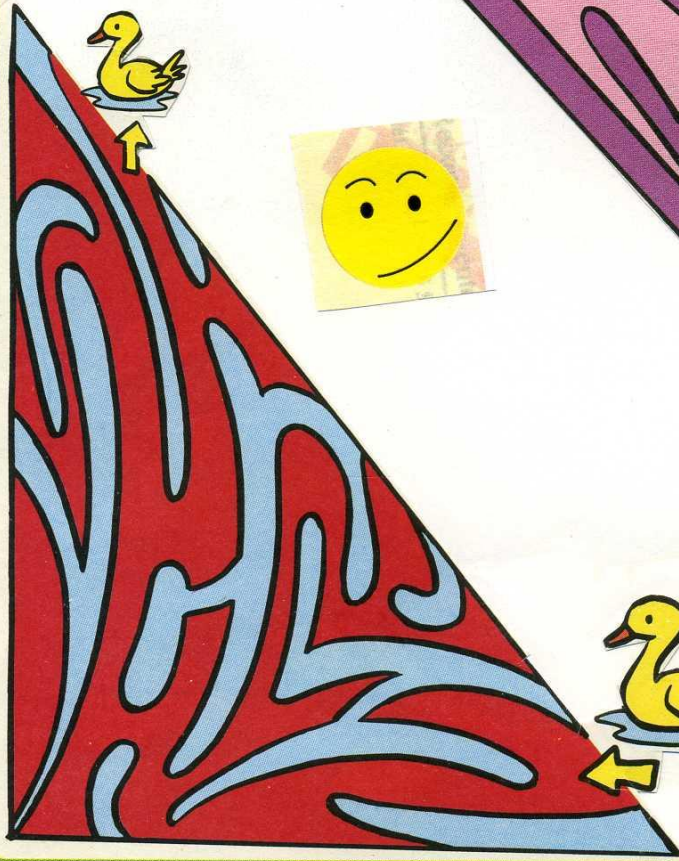

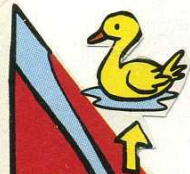

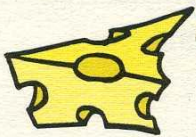

5

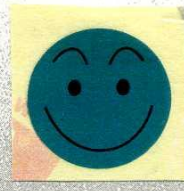

1

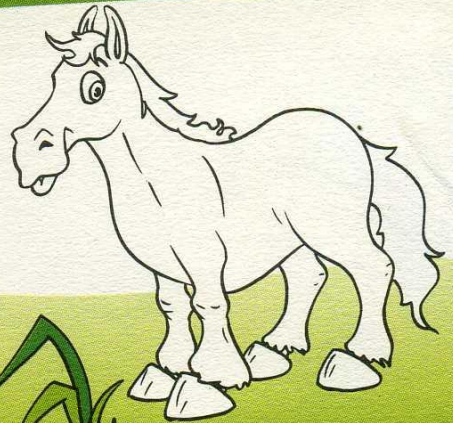

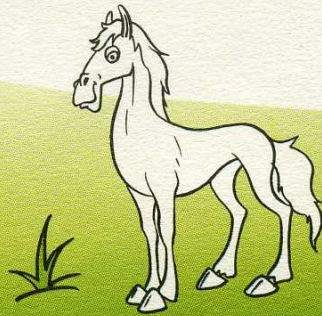

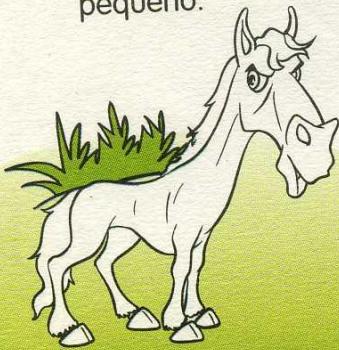

1

Ayuda al ratón a llegar al queso.

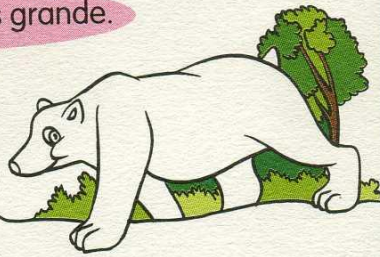

Colorea el caballo más pequeño.

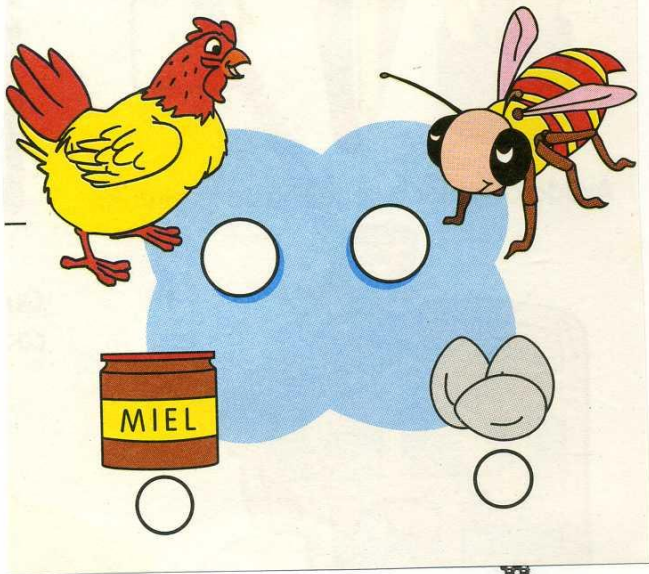

Colorea el oso más grande.

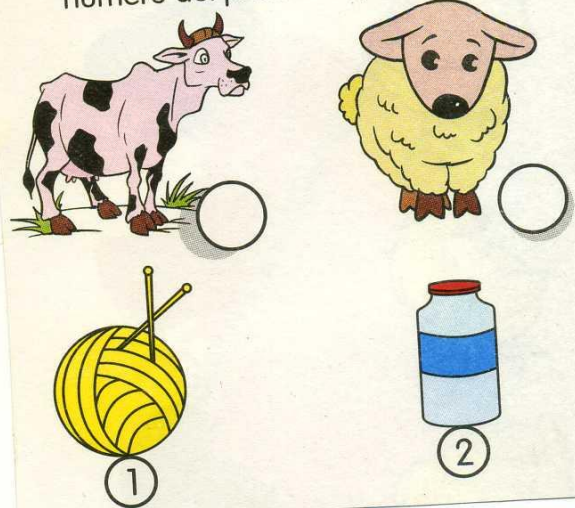

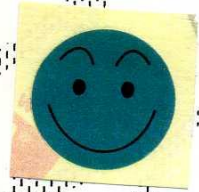

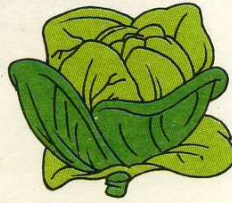

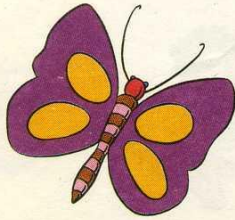

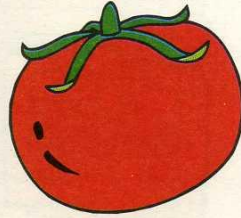

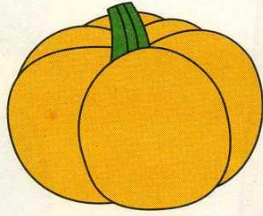

Une a cada animal con el producto que da.

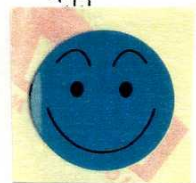

Escribe en el círculo de cada animal el número del producto que da.

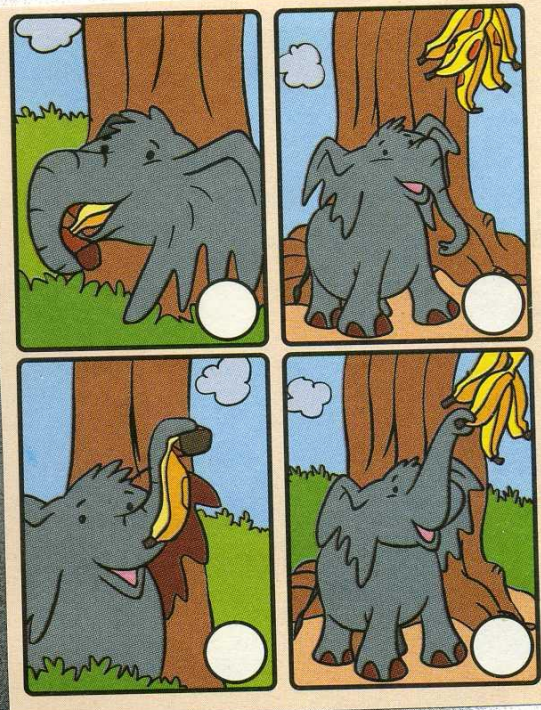

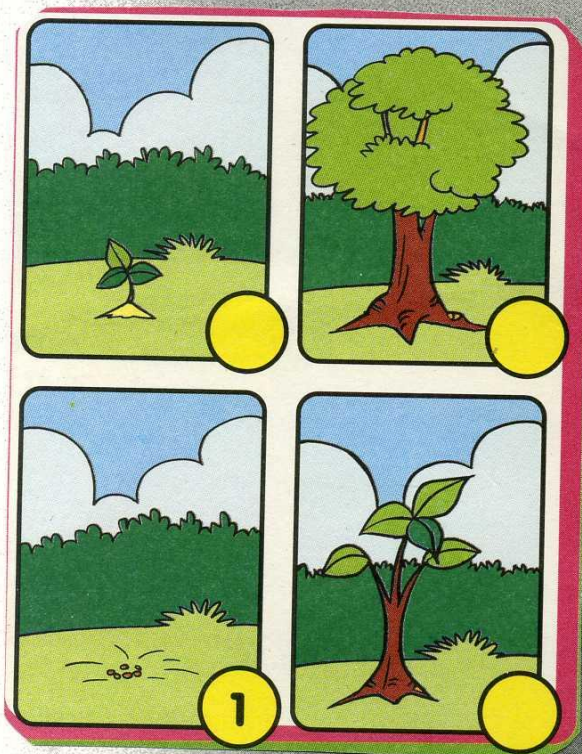

Busca al intruso.

¿Quién es el intruso?

Une los montones de fruta que son iguales.

-antasia

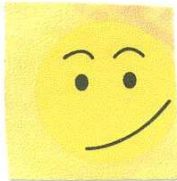

-orpres

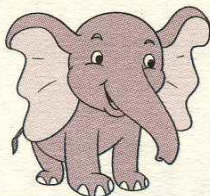

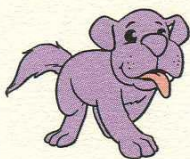

-o

-ito

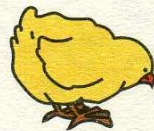

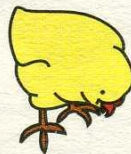

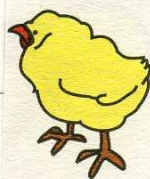

-úsica

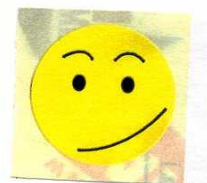

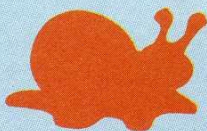

Une a cada animal con
su sombra.

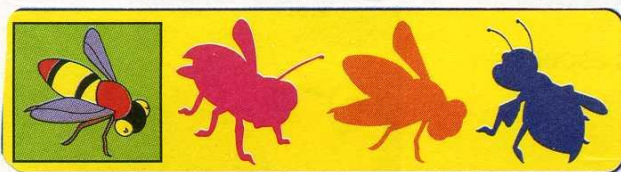

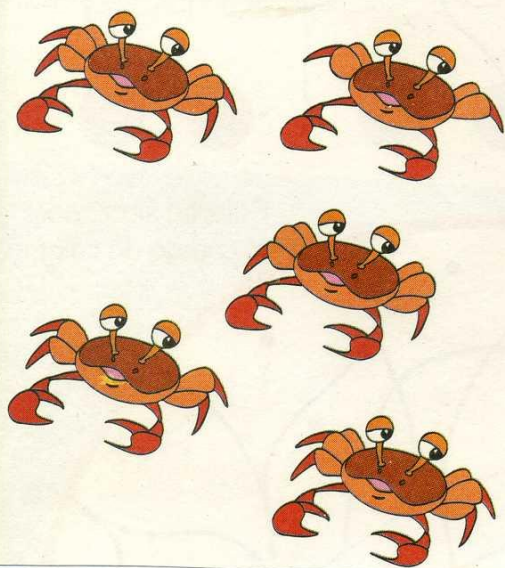

Une a cada pollito con
su sombra.

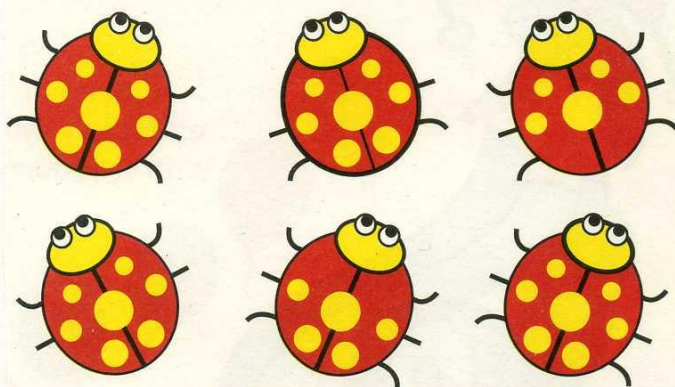

¿Cuál es la sombra
de cada figura?

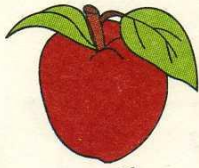

Une los cangrejos que son iguales.

Une las mariquitas que son iguales.

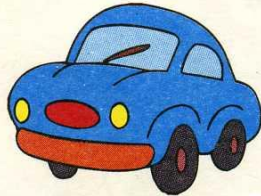

Une cada figura con su nombre.

Coche

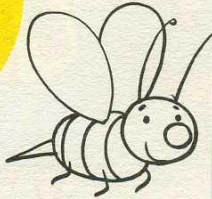

Mono

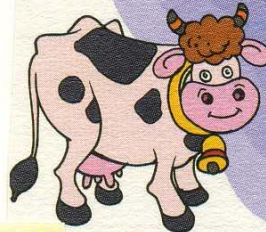

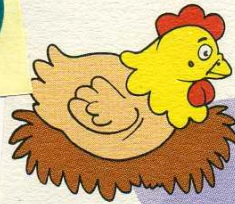

Gallina

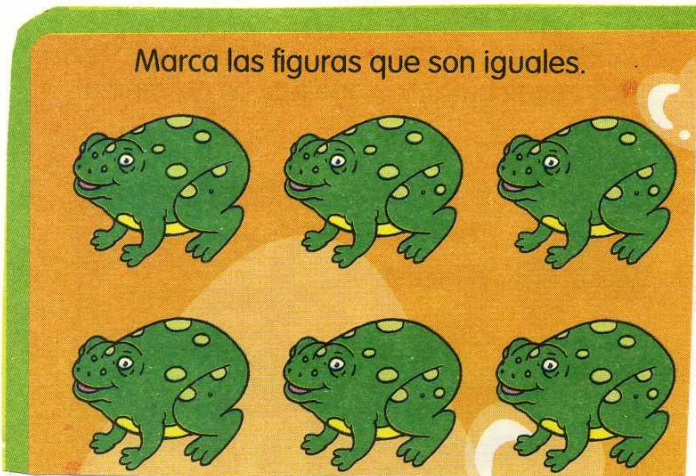

Colorea tantas abejas como se indica en el número del círculo.

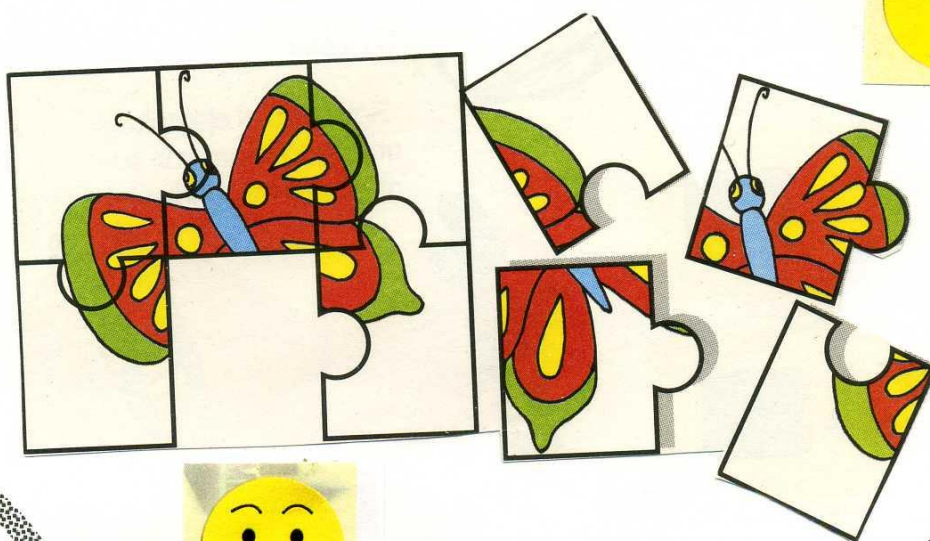

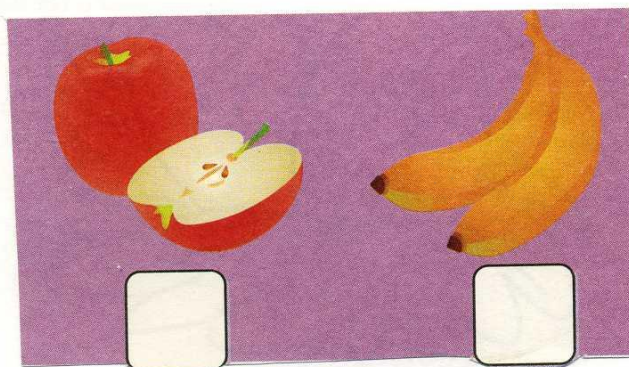

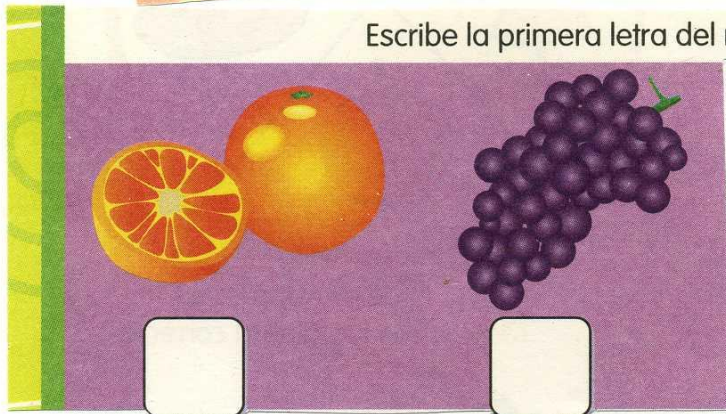

Une a cada animal con su figura correspondiente.

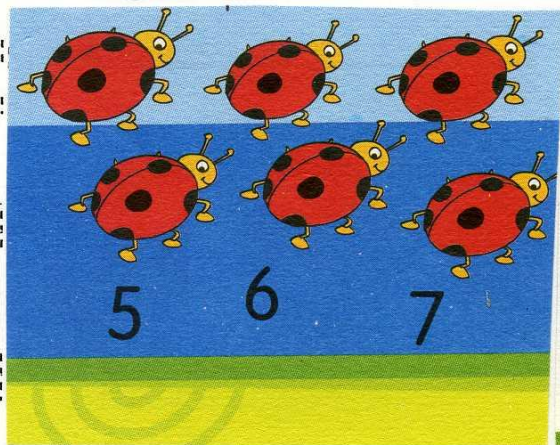

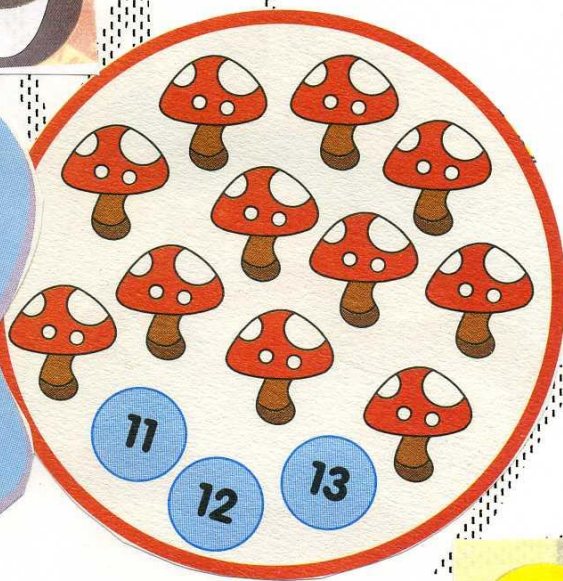

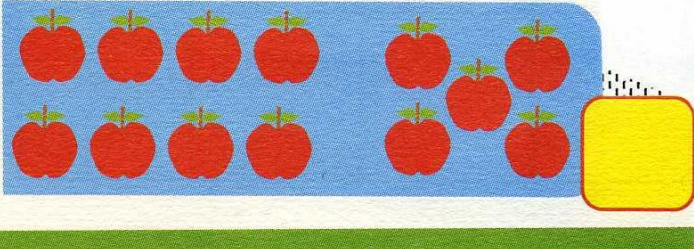

Escribe la primera letra del nombre de cada fruta.

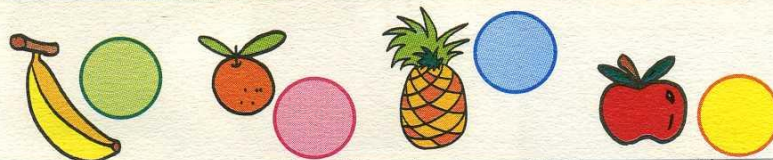

¿Cuántas manzanas hay en total?

¿Cuántas piezas de fruta hay de cada?

Completa este dibujo y coloréalo siguiendo el código.

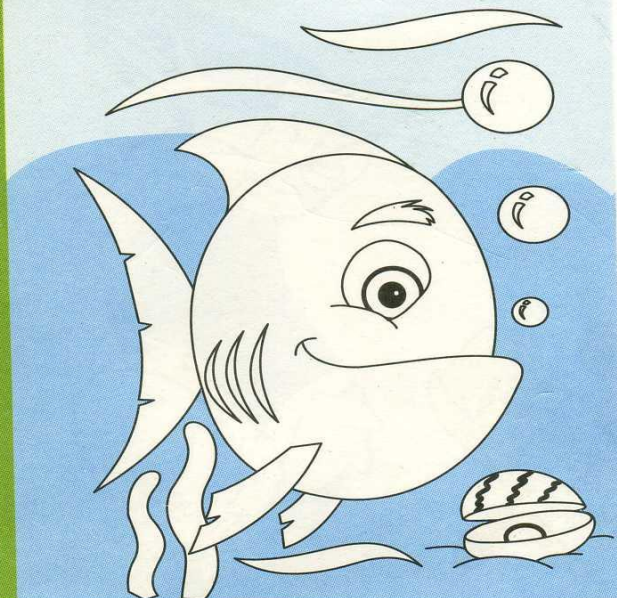

- 1 VERDE
- 2 ROJO
- 3 AMARILLO
- 4 AZUL

La señora Cebra ha perdido sus rayas.
¿Le dibujas alguna?

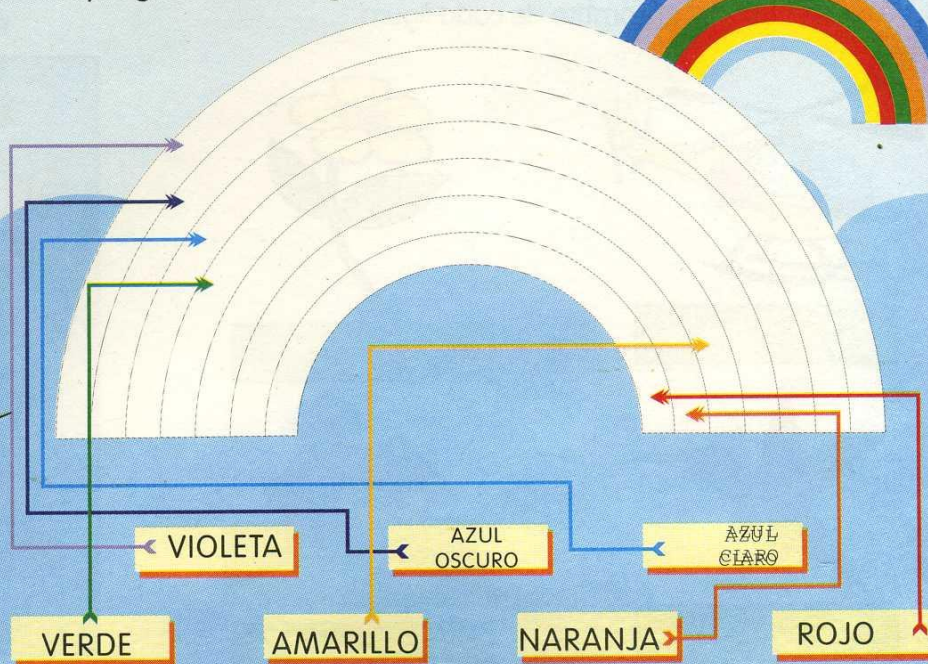

Colorea este dibujo con bonitos colores.

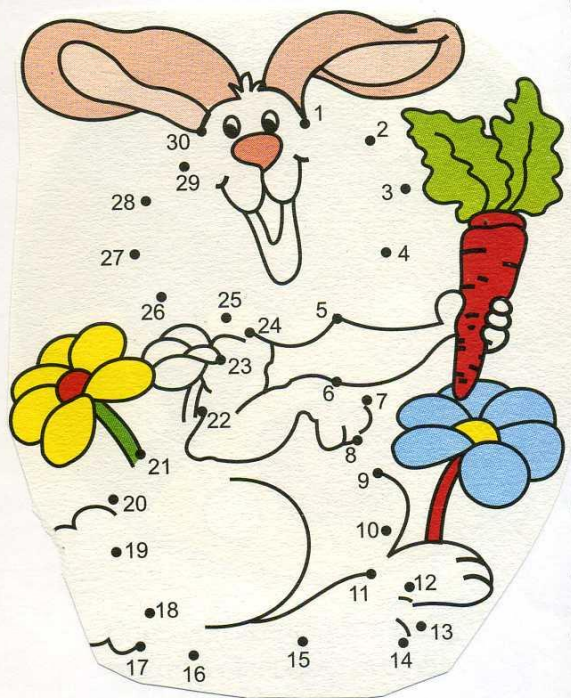

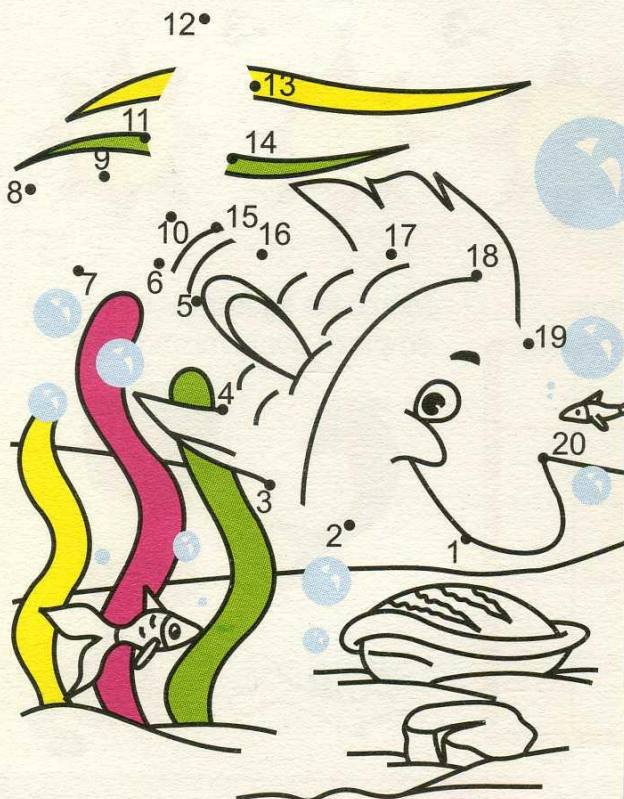

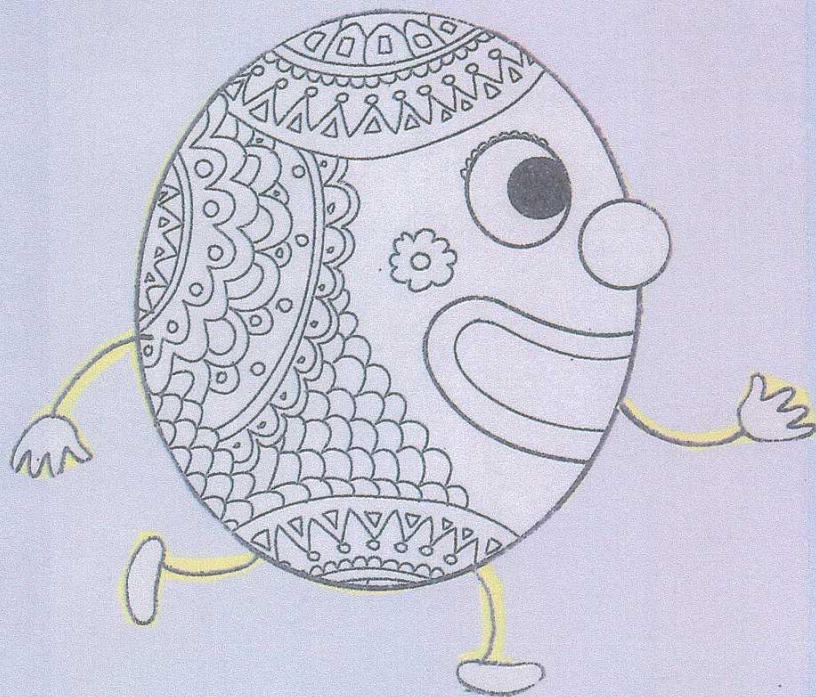

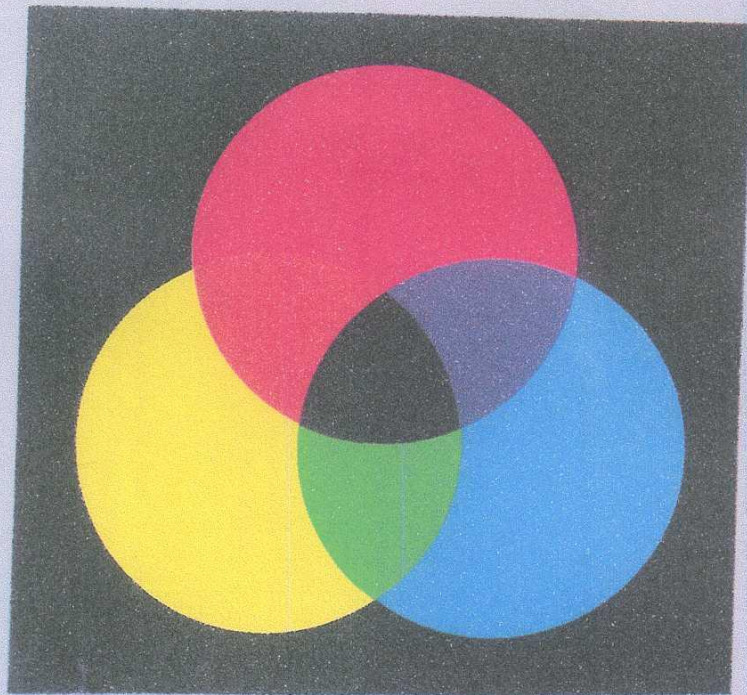

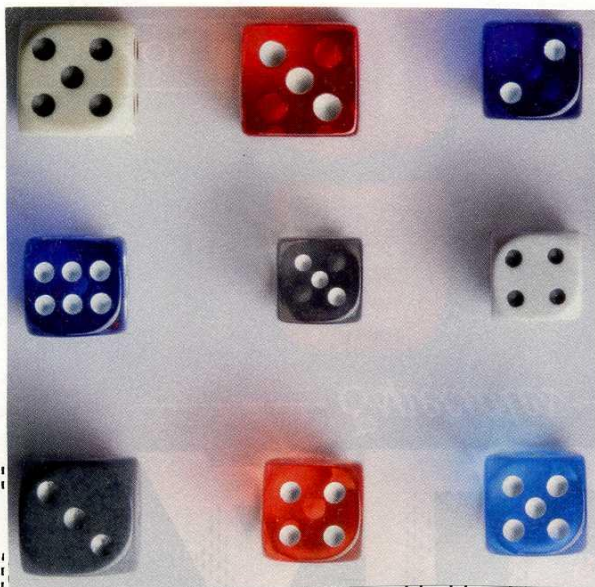

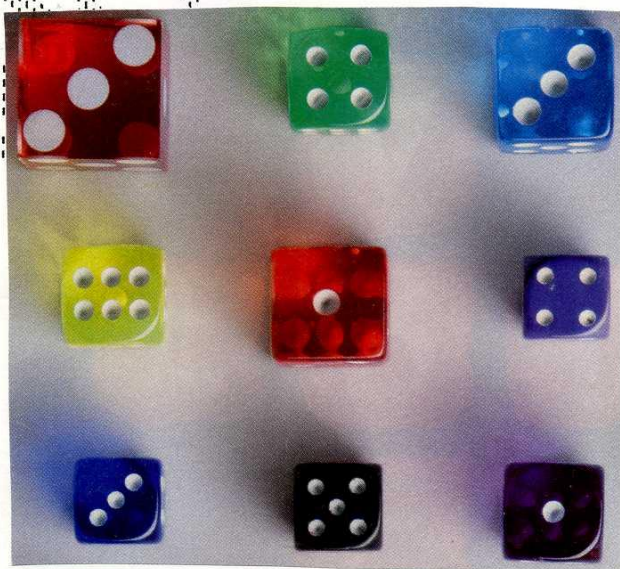

Colorea este dibujo siguiendo el código.

Une los puntos y colorea el dibujo.

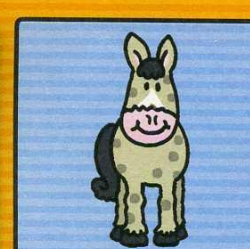

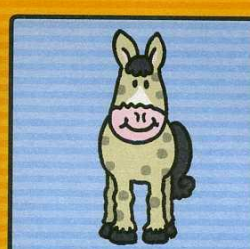

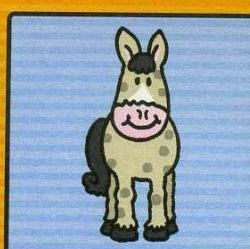

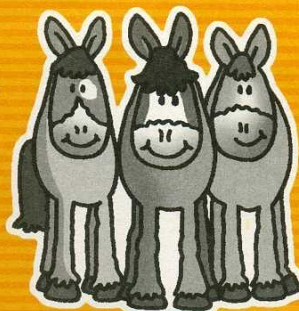

En cada fila hay una ficha que es diferente de las otras.
¿Sabes cuál es?

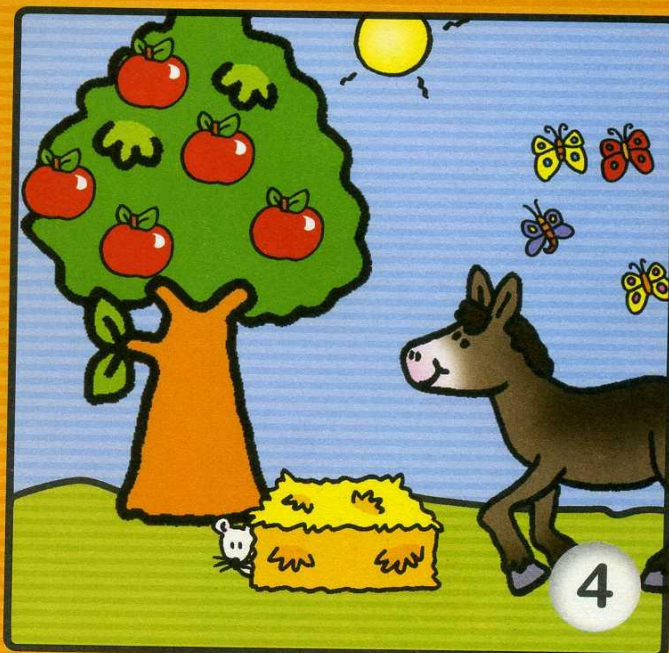

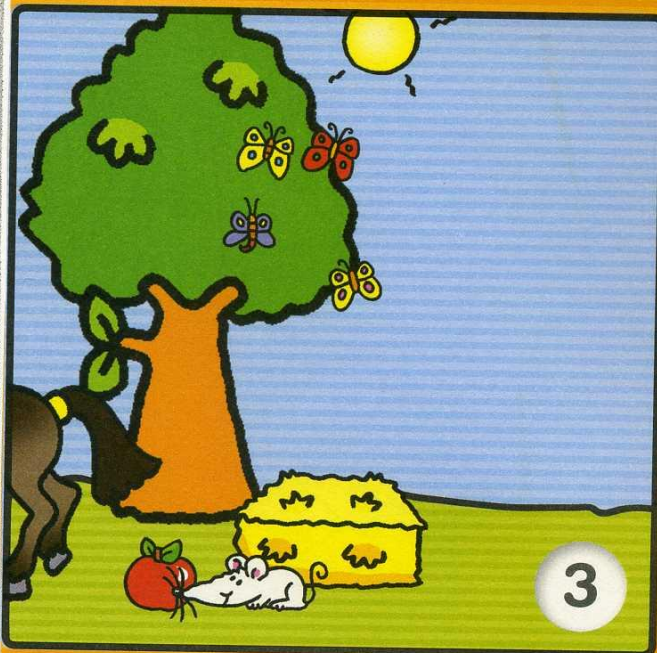

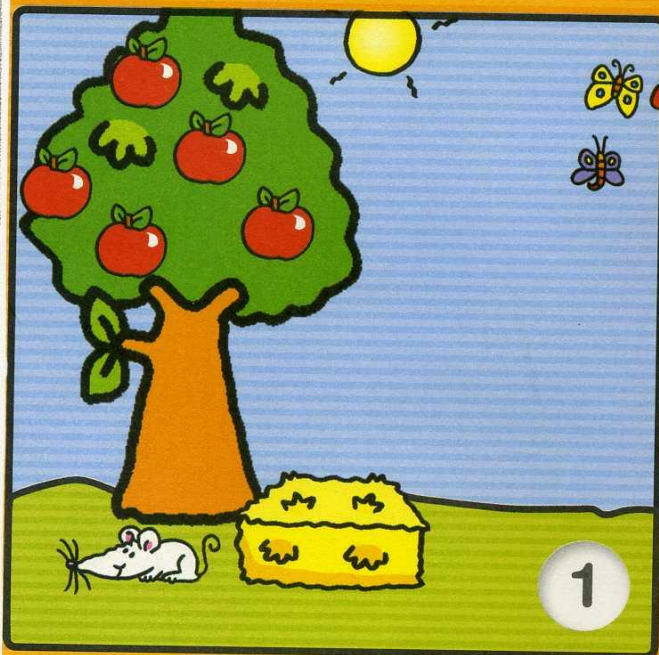

4

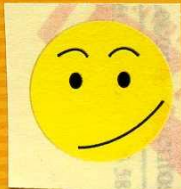

4

Fila 1: ficha 4, fila 2: ficha 2, fila 3: ficha 5, fila 4: ficha 2, fila 5: ficha 3.

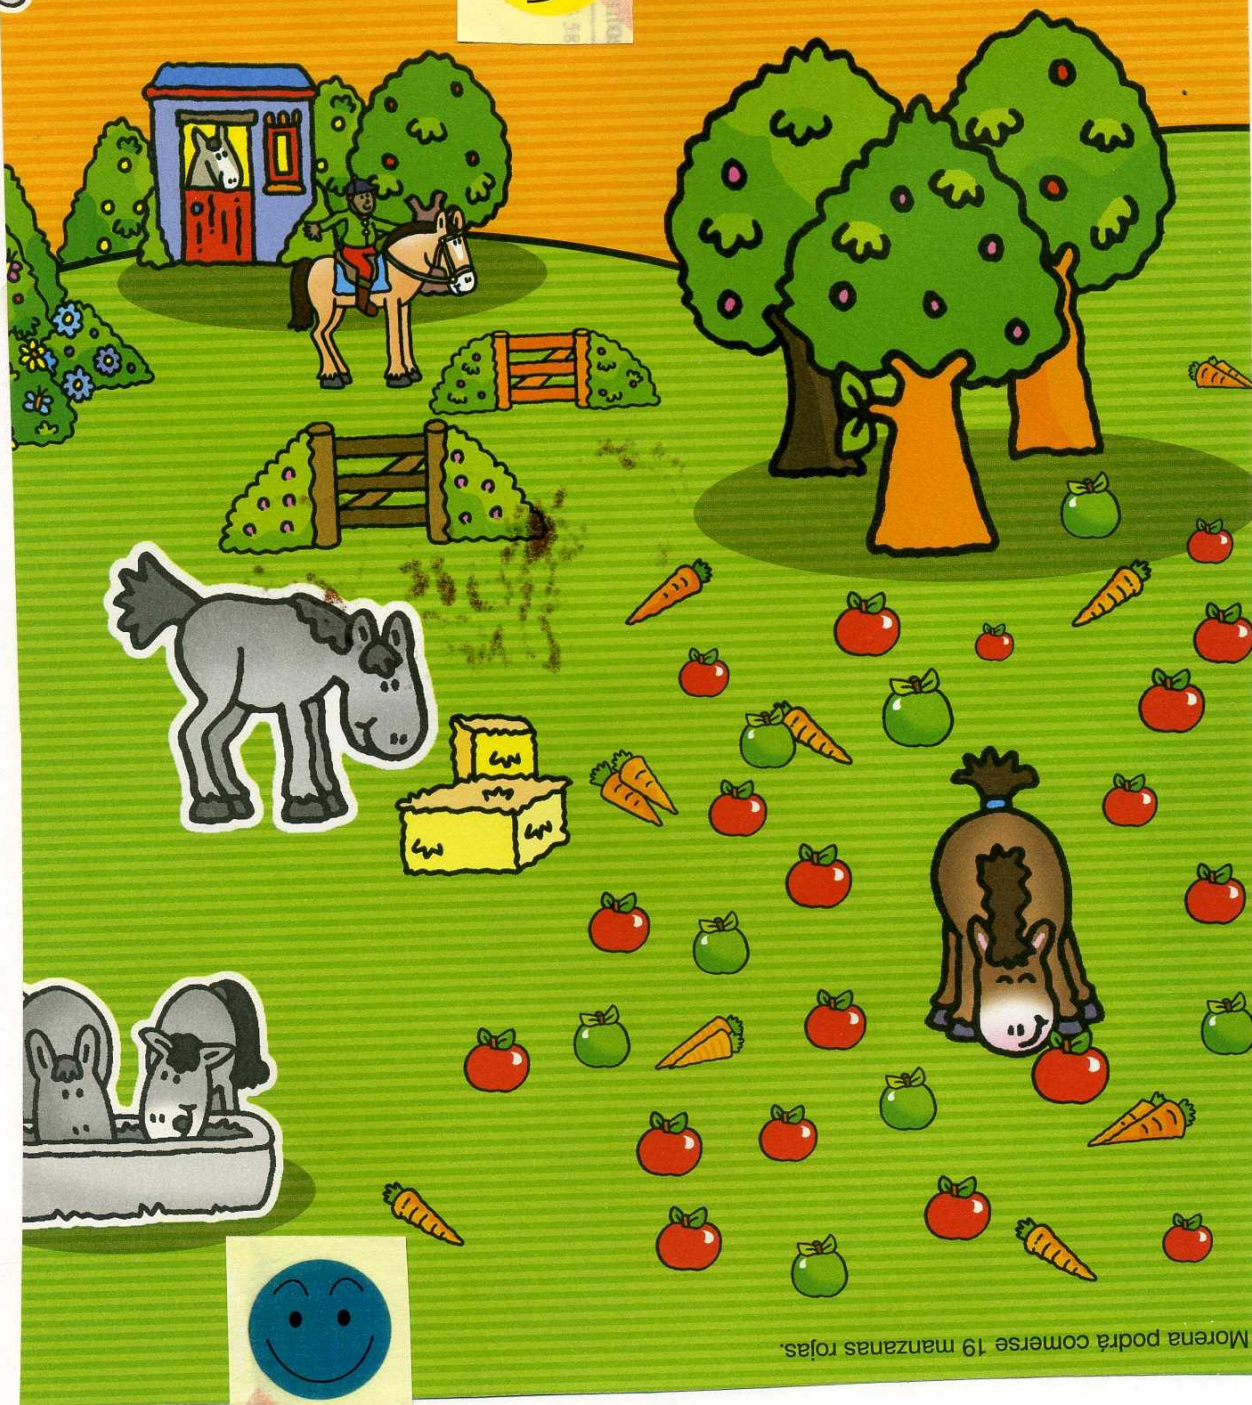

Ordena correctamente las siguientes imágenes.

1, 4, 2, 3

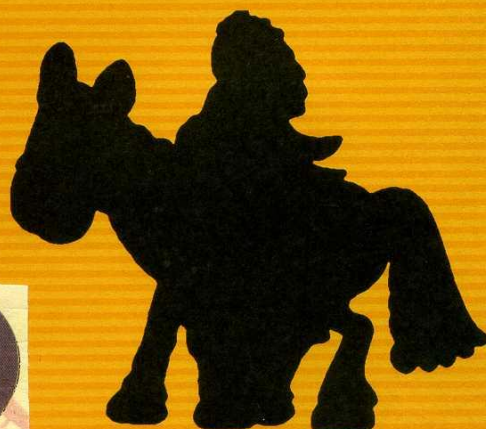

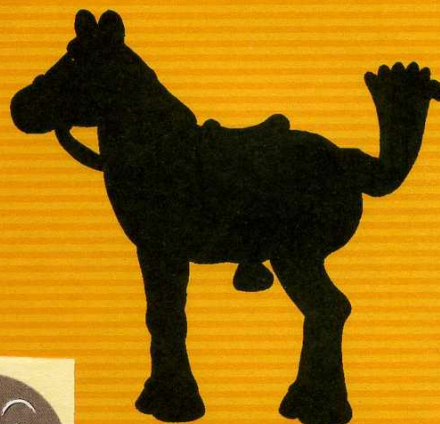

A Morena le gustan mucho las manzanas, sobre todo las rojas.
¿Cuántas manzanas rojas podrá comerse?

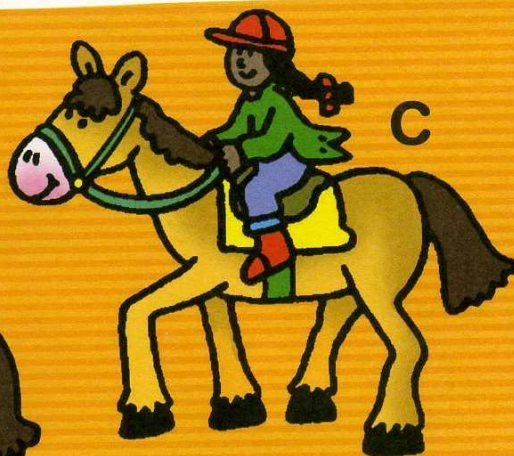

Morena podrá comerse 19 manzanas rojas.

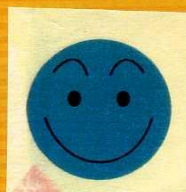

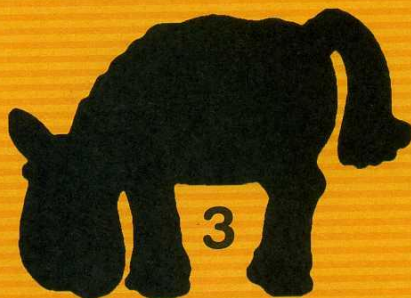

Algo raro pasa con las sombras.
¿Ves los errores?

Arriba: la cola está levantada; centro: la sombra está al revés y ha desaparecido la gorra;
abajo: se ha cambiado el perro por un gato.

Normalmente, nadie puede librarse de su sombra,
pero a veces hay alguna excepción.
¿A quién pertenece cada sombra? ¿Hay alguna que
te llame la atención?

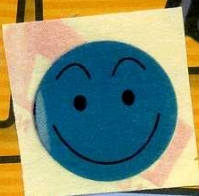

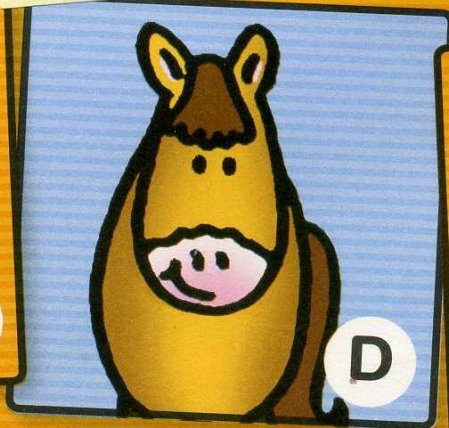

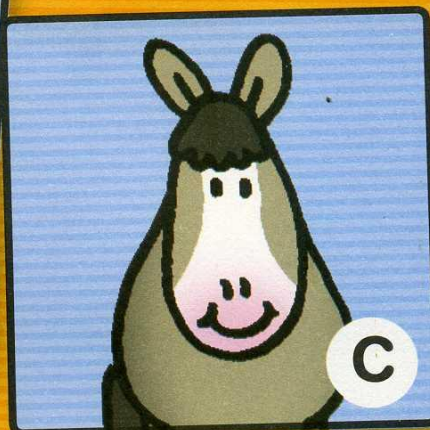

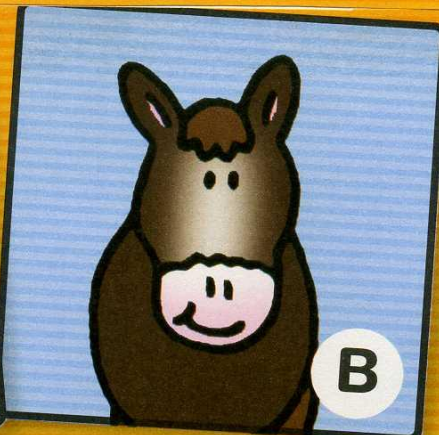

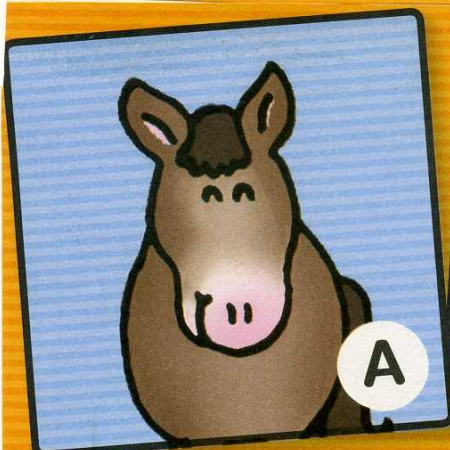

1-C, 2-D, 3-B, 5-A
La sombra número 4
no tiene pareja.

En cada fila hay una ficha que es diferente de las otras.
¿Sabes cuál es?

Fila 1: ficha 4, fila 2: ficha 3, fila 3: ficha 1, fila 4: ficha 4.

Junta la parte superior con la parte inferior
de cada caballo.
¿Qué pieza sobra?

A-3, B-5, C-1, D-2. Sobra la pieza 4.

Terry, el perro guardián, no ha llegado a tiempo para la primera foto y solamente aparece en la segunda. ¿Lo ves?

Está en la parte derecha, detrás del caballo con las cintas de colores.
